Seeking Host Families for French High School Students

July 10-29 and August 2-21

Based in Aix-en-Provence, France, ECI sends approximately 60 French High School students to the US every summer for a 2 1/2 week homestay program.

The French students are 14-18 years old, have their own spending money, and are here to practice their English, experience American culture by living with a family, and visit our region on day trips organized by Jessica Shiroff, Philadelphia Area Coordinator, ECIUSA.

Your child (or family member) is also invited to join the group (at no cost to you) as they visit Philadelphia, Washington DC, Hersheypark, and picnic in Valley Forge Park, when you volunteer to host a French student in your home.

For more information, please contact:

Jessica Shiroff, Philadelphia Area Coordinator, ECIUSA

(610) 212-6684 | jshiroff.eci@gmail.com

If you are not able to host a French student yourself, but know of a family who might be interested, please share this information to help spread the word.
